OPENING SILENCE

QUERY 10 – SOCIAL AND ECONOMIC JUSTICE

Do we seek to transform the world with our loving spirit?

Do we take an active interest in the social and economic conditions of our community?

Have we objectively considered the causes of discrimination and are we ready to abandon old prejudices and think anew?

Do we, as individuals and as a Meeting, do all in our power to end governmental, social, economic and educational injustices in our community, and to create equal opportunity for all?

How do we as individuals and as a Meeting promote the welfare of those in need and work to secure a just distribution of the world's resources?

What are we doing as individuals and as a Meeting to understand and remove the causes of war and violence and to develop the conditions and institutions of peace?
